U.S SLATE TODAY *be*

natural® Galcar 18x10's pre-holed in the exclusive neighborhood of embassies and consulates, in Chevy Chase (MaryLand, USA). A beautiful project supplied by our US partner, Bob from Newmont Slate, Vermont.

We Slate and pop-corn !

Cubierta de pizarra, la mejor opción !

La pizarra tiene el principal mérito de ser un producto natural. Belleza, durabilidad, singularidad, ¿qué más puede dar una roca?

be natural® at the National Slate Convention

From the 17th to the 19th of April in Baltimore (Maryland) took place the Convention of the National Slate association (NSA) and be natural® was giving an overview of the slate industry around the world.

The NSA is dedicated to promote excellence in slate roofing practices in the USA.
