La pizarra lucha contra la competencia de Brazil

La pizarra gallega ha encontrado en la pizarra brasileña una fuerte competidora que le está restando mercados en los principales países importadores de este material como son Francia o Reino Unido.

Job of the month

Un gigantesque chantier à Chengdu (Chine) prévoit la réalisation d'un méga complexe touristique de luxe dont le modèle architectural est inspiré des châteaux français du XVIIIème siècle. Les ardoises de la toiture sont fournies par Pizarras y Derivados.

U.S SLATE TODAY

New Year, new slate, new company !

For the last 4 years, the export market of Natural Slates from Vermont to the world has been increasing significantly. be natural® is one of the reason of this success.
