España : los estibadores rompen la negociación

La negociación entre sindicatos y patronal se rompió. Los trabajadores denuncian la ausencia de interés para llegar a acuerdos. “Con una posición tan radical de la patronal, lo normal es que esto acabe en conflicto”, aseguró el representante sindical A. Goya.

Repairing Scottish roofs

Scottish slate roofs have a number of characteristics which make them well suited. It is important to treat the roof as an integrated whole rather than a series of distinct elements. A detailed inspection is key to correct specification of repairs.

Bretagne : un chant du XVe siècle gravé sur une ardoise

Des archéologues redonnent vie à une mélodie du XVe siècle retrouvée sur une ardoise médiévale gravée. Elle est apparue lors de fouilles dans les remblais du couvent des Jacobins, à Rennes. Décryptage de la soprano Dominique Fontaine.

Del Castillo Slate job in Madrid

The BBVA Tower in Madrid financial district is one of the most important architectural landmarks of the Spanish capital, with its striking ochre color. Del Castillo phyllite was chosen at the time of the construction and today for his renovation, Del Castillo was elected as the main stone supplier again.
