¿ Un plan de modernización para el sector pizarrero ?

José Luis Aceves, el secretario provincial de los socialistas, explica que la iniciativa socialista tiene como objetivo instar a la Junta a realizar un Plan de Ordenación y Modernización de “un sector castigado por la crisis”.

Quarry owner puts all village up for sale

The cottages were built around a slate mine where quarrying dates back to the 16th century. Homes and cottages at Aberllefenni, near Machynlleth, were on the market for £1.5m, less than the price of some London flats.

U.S SLATE TODAY

Roofing slate export from Spain

Spain is the biggest producer in the world for Roofing Slates with 503.000 tons (20.500 containers) produced in 2017. The USA arrives in 6th position in roofing spanish slate Imports with a total of 8.500 tons (350 containers) almost similar to the previous year.

L'ardoise se refait une jeunesse en bardage

Souvent utilisée en toiture, l'ardoise a d'autres usages, parfois méconnus. Elle peut être utilisée en dalles sur les terrasses, sur les toitures plates, mais aussi en bardage. Les évolutions architecturales offrent de nouveaux débouchés.
