Llanberis-Wales: historic photos at National Slate Museum

A selection of historic photographs of the North Wales slate industry have gone on show in Gwynedd. They show the moving of slate filled wagons, quarrymen's journey to work, tools, workplaces...

JOB of the month : la cathédrale de Coutances en travaux

Uso de la pizarra natural en la construcción

Es muy típico ver los tejados de lajas de pizarra en zonas montañosas o en los cerramientos y muros de pizarra en las típicas casas y cabañas de arquitectura popular...

U.S SLATE TODAY:

Dear International readers,

I would like to share with you the American Slate Story in a series of monthly articles.

Let's start by going back to the early days of slate in the United States...
