

STATISTICS :

**Zagori, a Greek region with slate roof**  
The 48 villages of Zagori are home to stone-built mansions topped off with smart slate roofs, built by wealthy merchants in the 18th and 19th centuries...

**Pas de rentrée sans ardoise !**  
Les premiers directeurs d'école ont eu recours à des ardoises naturelles à surface lisse et de petite taille. Retour sur l'histoire de cet accessoire indispensable dans les classes.

We ❤️ Les typiques maisons Bauloises, so CHIC !
