La marca Piedra Natural perjudica a la pizarra ?

Las Cortes de Castilla y León aprobaron una iniciativa que propone a la Junta a ayudar al sector de la piedra. Todos los puntos han sido aprobados excepto el referido a la posibilidad de crear la m marca de calidad «Piedra Natural de C Castilla y León».

The replacement of deteriorated roofs

Historic slate roofs should be repaired rather than replaced whenever possible. All too often slate roofs are mistakenly replaced when, in fact, they could have been effectively repaired. Deciding whether an historic slate roof should be repaired can be difficult and each roof must be judged separately.
