El sector de la pizarra orensano sigue sin convenio laboral

El sector de la pizarra de Orense sigue sin lograr un acuerdo para aprobar el convenio laboral que afecta a 2 400 trabajadores. El sindicato UGT no aceptó la propuesta de la Asociación Galega de Pizaristas.

Scotland : Highland slate arch restored

The Ballachulish slate arch - also known as the Tom Beag Inclined Plane - was built to transport wagons of dressed slate from the world famous quarry down to piers on the loch-side and to transport empty wagons back up to the quarry.

Le virus de l'ardoise transmis de génération en génération

Cornillé existe depuis 1878. Ivan Hériaux qui a co-dirigé l'entreprise se définit comme un couvreur. Depuis 1914, la famille Hériaux exploite ce site et le virus de l'ardoise se transmet ! En 2016, l'entreprise se voit attribuer le Prix Moniteur de la Construction.

Jack & Bob leading the way

A great deal of slate roofing work has an historic aspect, whether renovation or restoration. For many, the whole industry is regarded as part of an old-world tradition.

Not much room for modernization.

In Poultney, Vermont, brothers Jack and Bob from Vermont would disagree.
