El Cluster de la pizarra aumenta los sueldos del sector

El Cluster de la Pizarra acepta a aumentar los sueldos del sector un 0,50% en el preacuerdo de convenio firmado junto con UGT y en el que queda pendiente que se adhieran CCOO y CIG. El nuevo convenio colectivo comenzará a aplicarse en enero de 2018.

UK : traditional roofing material back in demand

Damage to roofs caused by poor air quality and central heating means plenty of restoration work for Nigel Smith's company. Mining for the slate throughout the east of England hit its peak in the late-1800s.

Versailles : travaux sur la toiture de la chapelle

Début 2017, un chantier colossal de réhabilitation de la toiture a été entrepris pour une durée de trois ans. Les chiffres sont vertigineux : 3 000 m2 de façades, 1 000 m2 de charpente devront ainsi être traitées, de même que 3 335 m2 de couverture.

TRADE SHOW :

KazBuild (China) – September 5th - 8th

Marmomacc (Italy) – September 27th - 30th
